

# How to Get Admitted Into Treatment

## Our Admissions Process in 3 Easy Steps

Getting admitted to our premier rehabilitation center doesn't need to be complicated. When you are ready, follow these 3 easy steps for life-changing treatment.

### 1 Call and tell us your story

When you call to share your story, an admissions navigator is ready to listen and guide you toward treatment.

### 2 Complete an assessment

We'll ask questions regarding your mental state, physical limitations, etc. and help verify your insurance.

### 3 Begin treatment

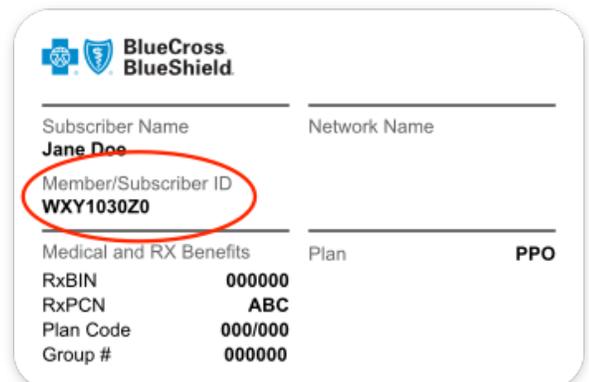

Once you arrive at the facility, we'll take you through a final screening, get you settled, and begin treatment.

## How to Check Insurance Coverage

You or your loved one may be covered for addiction treatment. You will need the following information when you verify online or through the phone.

- Personal information (name, date of birth)
- Contact information (phone, email)
- Insurance information (carrier, membership ID)

Example medical insurance card
